Who are we?

BKM-Orange has been part of Orange Belgium since 2019 and provides quality ICT solutions in 4 areas. Unified Communications & Collaboration (UCC) solutions, IT solutions, Document & Visual solutions and Connectivity solutions. With more than 25 years of experience, we have grown into a reliable benchmark on the market. Across our offices in Hasselt, Steenokkerzeel and Ghent, our 230 specialist staff with experience and expertise provide the best service to our 16,000 customers every day.

'We connect. We care.' That's why we do our utmost every day. With the right specialist knowledge and using the latest technologies, BKM Orange will relieve you of all your company's time-consuming ICT issues. As ICT consultants we guide our clients through their digital transformation.

Would you like to strengthen our team? For the Flanders region we're looking for a:

Junior Business Consultant Documents & Visuals

What do we expect?

- You'll be managing an existing customer portfolio to which you'll add new customers that you attract yourself;
- You'll analyse the needs of existing and prospective customers, think along with them creatively and advise them on the best solutions in the area of Documents & Visuals;
- Together with the Solution Architect, you'll draw up customised proposals and see to it that these are properly followed up with excellent service.

Who are we looking for?

- You're a good communicator and sales-minded;
- You're interested in ICT and more specifically in Documents and Visuals solutions for businesses;
- Your experience may be limited but you certainly have potential;
- You have outstanding sales skills and are fired by success;
- You're sensitive to other people's feelings, you're enthusiastic and good at using convincing arguments;
- You have a thorough knowledge of Dutch and French;
- You lay strong emphasis on customer satisfaction;
- You're keen to form part of a motivated team in which you'll be given room to work autonomously.

What are we offering you?

- The chance to form part of a strong, solid organisation;
- We invest in quality training for our employees. This keeps you up to date with the latest technologies in the market and helps you grow professionally;
- A full-time job of indefinite duration;
- An attractive salary package with extra benefits over and above the legally obligatory ones;
- A challenge!
